Vaccination Clinics Will Be Offered

Low-cost rabies clinics are being sponsored throughout Orange County this month as part of the annual effort to protect the local area from rabies problems.

In Yorba Linda the Cloverleaf 4-H Club will sponsor a clinic at Yorba Linda Junior High School, 4777 Casa Loma Ave., on Thursday, May 13.

In Fullerton the clinic, sponsored by the Fullerton Kiwanis Club, will be held in Amerige Park, Highland and Commonwealth, on Tuesday, May 18.

In Placentia the clinic, sponsored by the Placentia Police Explorer Post, will be held in Kraemer Park on Bradford Avenue on Tuesday, May 25.

The clinics will be open from 7 p.m. to 8:30 p.m. in all areas. Cost will be \$2 per dog. All dogs over the age of four months must be vaccinated against rabies before the required license can be obtained. License applications will also be available at the clinics.

Goodwill Week Celebrated By County Store

SANTA ANA — Observance of National Goodwill Week in Orange County this week is part of a nation-wide event sponsored by Goodwill Industries in 145 cities in the United States. The theme for 1971 is "The Goodwill Way for the U.S.A."

The Goodwill program provides vocational rehabilitation services to thousands of handicapped people annually throughout the country.

Open House will be observed all week from 9 a.m. to 3 p.m. at Fifth and Fairview. Santa Ana, for all who are interested in first-hand observation of a rehabilitation center and a materials processing plant.

Sociologist Ashley Montagu Will Speak In Lecture Series

FULLERTON — A special artist lecture series program sponsored by Fullerton Junior College has been scheduled for Friday, May 7 at 8 o'clock in the men's gymnasium.

Guest speaker for the program will be the world renowned sociologist, Dr. Ashley Montagu, who is also famous for his much-discussed study, "The Natural Superiority of Women."

The guest speaker, who is English-born and American by choice, was educated at the University of London and earned his doctorate in anthropology at Columbia University.

The special program featuring Dr. Montagu was arranged by

Little Donna Chenoweth helps her Mom, Mrs. Curt Chenoweth, Placentia City Crusade Chairman during the neighbor-to-neighbor Cancer Society Crusade drive. Kits have been distributed throughout the city and residents are being urged to keep them moving.

Police Department Asks Help In Halting Bike Theft

PLACENTIA — The Police Department is requesting the help of local citizens in stopping the continuing theft of bicycles in the city.

During the first three months of 1971 85 bicycles were reported stolen to the police department. Of this number, 26 were recovered and returned to their owners. Presently, 55 bicycles are being stored by the department as they have not been able to locate the owners.

How can the citizen help? The first step would be to obtain a bicycle license which can be purchased at the Placentia Police Department for 25 cents any Saturday between 10 a.m. and 2 p.m. A reported stolen bicycle, if licensed, assures a prompt return to the owner upon recovery.

Secondly, all bicycle owners should buy a good, sturdy bicycle lock and make use of this lock at all times when the bicycle is not being ridden. Bicycles should be

secured to a bike rack or a stationary object. When at home, the bicycle should be placed in the garage and the garage door closed and locked.

A complete record of frame number, license number and general description should be retained by the owner and reported immediately to the police department if the bicycle is stolen. This information is vital in order to properly identify and return any recovered bicycles.

Beautification Posters Are On Display In City

PLACENTIA — Those 90 clever posters that will appear in shops and store windows all over Placentia the weekend of May 7 and 8 will be the handiwork of local school children.

They will all be prize winners and they will remind all citizens everywhere to spruce up, clean up, dress up, pick up and beautify as part of Placentia's official "Let's Beautify Placentia Week," May 15 through 22.

Prizes for school students' artistic endeavors included tickets to Disneyland, Knott's Berry Farm and free enrollments in Placentia Parks and Recreation courses of the winner's choice. And each entrant in the contest received a participation ribbon from the city, she outlined.

Mrs. Ernst said that the poster contest was supervised by the nine local elementary schools with all 4th, 5th and 6th grade students eligible to enter. From each school there was one grand prize winner and a first, second and third place winner from each of the three grade levels, or 10 finalists from each school.

YL Council Approves Recreation Agreement

YORBA LINDA — An agreement between the city and the Yorba Linda Elementary School District for the joint use of school facilities for the city recreation program was approved Monday evening by the City Council. The school district will consider the agreement May 13.

Under the agreement the city will provide personnel to supervise recreation activities on school grounds. The city will be allowed to construct facilities as needed and approved by the district. The district will provide custodial service.

City Administrator Darrell Dalton told the council that the city would probably be running recreation programs at Rose

Drive, Mabel Paine and the junior high school.

In other action the council accepted a report from the temporary Horse Committee and referred it to the permanent Horse Committee for a report and established a new Education Subcommittee of the Environmental Control Committee under the chairmanship of William Simecka.

Zone Change Approved By Commission

PLACENTIA — The Planning Commission approved a zone change from R-1 to commercial office for a six-tenths of an acre parcel between the old and new alignments of Yorba Linda Boulevard just west of Linda Vista Street.

The developer stated that he planned to construct a real estate office on the isolated site.

Commissioners also continued a zone change application submitted by the city to change 38.21 acres at the northeast corner of Kraemer Boulevard and Golden Avenue from R-3 to R-1 to July 27 at the request of the property owners, who are working on a condominium development for the property.

Volunteers Named By Recreation Department

PLACENTIA--Thirty-five volunteers have been named by the recreation and parks department to help in summer activities sponsored by the department.

This year's volunteers are Michael Barnett, Roger Reed, Jennifer Bickford, Kimberly Bond, Cynthia Boyd, Kraig Burtum, Cathie Carter, Brian Casciari, Mark Casciari, Thomas Frainier, Donald Gavel, Chuck Geeter, Julie Hakeman, Gregory Hayes, Anne Heller, Kathi Jernigan, Jill Kindleberger, Kathy Kipp, Todd Kirschner, Debbie Knight, Craig Moon, Mauna Morley, Lisa Lanctot, Debbie Press, Liane Raya, Deanne Royers, Marita Royers, Ken Schmitt, Byron Schneider, Janet Severson, Bruce Sharp, Carolyn Thummel, Steven Torek, Kent Voter, and Jim Zures.

Alternates are David Sheppard, Ann Jernigan and Debbie Reading.

The appointees, chosen from 127 applicants, will assist on playgrounds, officiate at sports events, coach teams, help in

aquatic programs, and work on department special events.

The students will work a minimum of 160 hours over eight weeks during the summer including work assignment and in-service training. Those completing the requirements will receive a \$100 scholarship at the end of the summer.

Library Board To Meet; Plan YL Dedication

YORBA LINDA--Further planning for the dedication of the new addition to the Yorba Linda District library June 27 will be done by the district board of trustees at their regular meeting Thursday, May 6.

Other items on the agenda include discussion of the Troy High School neighborhood youth corps, the 1970-71 audit, use of the building parking lot, custodial policy, the Placentia annexation in the Alta Vista area, the multi-purpose policy and a request from the Yorba Linda City Council.

Yorba Linda Schools Should Join Placentia

We believe that a bad mistake was made by the Yorba Linda School District Board of Trustees in recommending that the district unify with the Fullerton High School District instead of choosing union with the Placentia Unified School District.

There are many reasons why unification with Placentia is the most logical way for Yorba Linda to go.

First, it would give the people of Yorba Linda far more local control than they will ever have in the Fullerton district since at full growth Yorba Linda will have about half of the population of the Placentia School District.

Second, if the district unifies with Placentia, Yorba Linda will not be split into two different school districts. At present, about 35 percent of the Yorba Linda area residents live in the Placentia Unified School District. This percentage will grow as the city expands to the east.

Third, the chances of Yorba Linda ever having a high school of its own will be greatly lessened if the elementary district stays with Fullerton. It is doubtful whether there will ever be enough population in the elementary district to support a high school, especially since the Fullerton High School District is already overbuilt with classrooms.

Fourth, if Yorba Linda unifies with Placentia its students will be able to use the two present high schools in Placentia plus the new Esperanza High School scheduled to open in 1973.

Fifth, we feel that the proposal to unify along Fullerton High School District lines has little chance of being approved by the voters because it would create a huge, multi-community district with little chance for any community to exert real local control over its schools.

Sixth, we wonder if this recommendation is not really a delaying move to put off the inevitable decision which must be made. Yorba Linda by itself is too small to function as a unified district under present financing laws since it does not have the student population to support needed facilities.

We feel that because of the above reasons the County Committee on School District Reorganization should not accept the local recommendation but should recommend to the state that an election be held to annex the Yorba Linda Elementary School District to the Placentia Unified School District.

YL Women's Club To Sponsor Flower Show

Amateur gardeners and flower arrangers are invited to enter exhibits in the 42nd Annual Flower Show presented as a community service by the Home and Garden Section of the Yorba Linda Woman's Club May 7 and 8.

The show, being held at the Woman's Clubhouse at Yorba Linda Blvd. and Valencia, will begin at 2:30 p.m. Friday and close at 8 p.m. The show will continue

Saturday from 11 a.m. to 4 p.m. Coffee and snack bar will be serving all day both days.

Mrs. Robert L. Carroll, chairman, states all entries in the show are free and open to the public.

Friday, May 7 at 2:30, Miss Yorba Linda, Pat Criner, will be present. A raffle for door prizes will be held. Trophies are on display in the Yorba Linda Library through today.

Mary Gerhold To Retire As Nurse

"No, I am not going fishing as I retire", said Mary Gerhold, "but I will pursue a new field of endeavor." Mary Gerhold is retiring at the close of the 1970-71 year after a quarter century of dedicated service in the health field to students of the Placentia Unified School District.

Better health, environment and education to the young was her theme. Mrs. Gerhold started initially as a nurse, going on to be coordinator of all nursing services in the schools. The growth and development of the school system led to the widening of her duties.

Mary Gerhold has been active in civic, social, and cultural affairs. A member of the Presbyterian Church of Placentia, she sings in the church choir, and is a

Mary Gerhold

leading advocate of the organization known as "Fish". She has given not only of her time but her smile, love and vital interest in a forward look for Placentia. She was chosen as "citizen of the year" by the Chamber of Commerce in 1969.

May Dance Concert Set For Friday

Troy High School's annual Dance Concert will be held Friday, May 7, in the Lecture Hall at 8 p.m.

Under the direction of Mrs. Susan Weaver, girls physical education instructor, the 28 member dance class will perform numerous folk and modern routines.

Expressing various ideas through movement, the students selected the dances they wanted to perform and then created the choreography, according to Mrs. Weaver.

Among the dances to be presented will be Dante's Inferno (a trip through hell), The Ugly Duckling (a fairy tale), and an 1890 Revue (using music from "Butch Cassidy and The Sundance Kid"). Also, there will be folk dances from Peru, Ireland and other countries.

Tickets are \$1 for adults and 50 cents for students.

Heritage Festival Board To Discuss Fall Celebration

Another gaint step toward placentia Heritage Festival Days, 1971, the 7th annual celebration, will be taken Wednesday, May 12 at the next meeting of the Heritage Festival Board of Directors, Marvin Reid, president announced this week.

The meeting will be held at 8 p.m. in the Backs Community Building and is open to the public, he stated.

The board will convene to consider several requests from individuals and organizations who have

conveyed their desire to participate in the festivities this year, "and we are hoping to hear from even more interested people," he said.

Dates for this year's celebration have been set for September 25 through October 3 and for the first time will include two weekends.

Nixon PTA Schedules Carnival

The Richard Nixon PTA will hold its annual carnival Saturday May 8 from 10:30 a.m. to 3:30 p.m.

The special event of the day will be the helium balloon sales. The balloon will be purchased by people attending the carnival and released with a card attached telling the finders of the balloons to return them to the purchasers. The balloon returned from the farthest place will earn its purchaser a prize.

First graders Jeff Fleming, Jamie Chriss, John Montagne, and Darcy Cohen help separate bottles and cans collected during Rio Vista School's can and bottle drive recently. More than half the children in the school brought thousands of the containers to the school in the week long drive.

Rio Vista School Holds Drive For Bottles, Cans

A successful bottle and can drive was held recently at Rio Vista School with over 3,500 cans and 1,000 jars being collected in one week last month.

All of the classes participated in the drive with about half of the students contributing material. The school has only Kindergarten through second grade.

Many cans and bottles were brought to the school by parents who heard about

the drive. The PTA also helped out. The drive was coordinated by Dale Downey, a teacher at the school.

Goal of the drive was to raise enough money to buy six books on earth sciences for the school library.

Rain Closes El Rodeo Horse Show

Old Mother Nature pulled "reins" on the benefit horse show Saturday, April 17. Optimists, who trailed or rode to El Rodeo for the Yorba Linda Woman's Club Annual Benefit horseshow in spite of the 67% rain forecast, went home wet and disappointed.

Three classes were held before officials threw in the towel on months of preparation.

Looking to the dryer side, May 15 is the new date set for the show. All proceeds go to deserving high school student scholarships.

Joint Pain Noted in Bursitis Increase

Dr. Donald Brinkley of the Brinkley Chiropractic Centers has noted that the number of bursitis cases in the Orange County area has markedly increased over the past months. "The

problem has been with us for centuries," Dr. Brinkley states, "but people are just starting to recognize it by its right name."

According to Dr. Brinkley, bursitis is best known by its symptoms. Bursitis is a sickness or inflammation of the joint capsule, and a swelling of tissue from irritation. The irritation may be chemical from disease, simply over-fatigue, or from external bruising. In the case of the shoulder, bursitis starts as a soreness and gradually worsens until it is sometimes impossible to move one's arm without extreme pain.

In many cases the early, mild condition will clear up after a rest period. But in each recurrence the condition lingers for a longer period of time and the joint gets stiffer and more sore. When bursitis persists, calcium deposits show up on the surfaces of

the bones in the joint, causing arthritis. Adhesions even form in the joint capsule, causing a frozen joint.

"The problems of bursitis and the conditions it can cause are understandable when we remember that it is living tissue, a part of the living body, reacting to the causative factor," states Dr. Brinkley. He also states that the most common of the three irritating factors found in bursitis relates to injuries.

"For example," Dr. Brinkley says, "a fall injures the bursa of the shoulder joint. If this happens, healing forces cannot get to the injured part and bursitis can develop. As I've noted," he continues, "this condition can lead to all sorts of serious difficulties including arthritis."

Dr. Brinkley strongly urges persons who suffer from bursitis to undergo Chiropractic examination and treatment. "After all," he states, "the modern Doctor of Chiropractic is scientifically trained to detect misalignments and damage to the bursa."

Further information regarding this problem can be had by writing the News-Times, P.O. Box 10, 130 N. Bradford Ave., Placentia, Calif. 92670.

The annual Rotary Fish Fry is the one event each year when Rotarians ask the public to assist in carrying forward the civic and social welfare programs of the club. The menu will consist of fillet of fish, Tater Tots, green salad with choice of dressing, coffee and ice cream. Donations for the dinner are \$2.50 per adult and \$1.25 for children.

The nicest thing about us may be our people...

Well, we also have some of the world's most spectacular, unspoiled scenery. Our food and drink are exquisite. Then there are our cities—rich with culture, elegant but reasonable shops, and the most lively and exciting night-life on the Continent.

But always, there are the people. Come. Let them show you the legendary hospitality of Scandinavia. Let them show you the lands they love. From \$600 including jet fare from New York.

to sell any item at the lowest everyday supermarket price

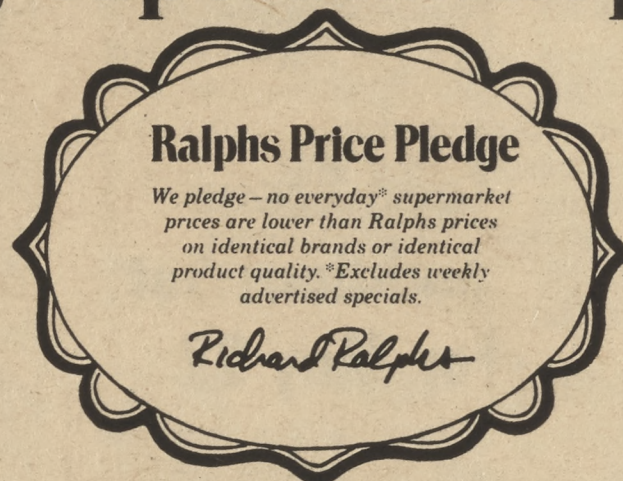

Sometimes you'll have to tell us.

With over 15,000 items in some of our stores, pricing can be hard to manage. If you should happen to find an item at another supermarket that has a lower regular everyday price* than Ralphs (heaven forbid), please tell us.

We'll be happy to sell that item at the price you tell us. In return, we'll ask you to give us the information on the competitor and we'll check it out. If we're wrong, we'll change it.

No everyday supermarket prices are lower than Ralphs and we plan to keep it that way!

1257 E. YORBA LINDA BLVD. - PLACENTIA

Mr. and Mrs. Thomas Lee

Sally Cook, Thomas Lee Joined In Marriage

Miss Sally Cook and Thomas Lee exchanged marriage vows April 1, in a candlelight ceremony amid blue and white flowers at the Placentia Presbyterian Church. The Reverend Stanley N. Jones joined by the Reverend James C. Smith of Morningside Presbyterian Church, Fullerton, both family friends, officiated.

The former Miss Cook is the daughter of Mr. & Mrs. H. "Bud" Cook of 122 Sunset Drive, Placentia. Mr. Lee is the son of Mr. & Mrs. Jack Lee of 1401 E. Virginia Road, Fullerton.

The bride's gown was

designed and made for her by Mrs. Phil Zoeller. The gown, fashioned of silk organza over satin featured a tucked and ruffled bodice with the tucks and ruffles repeated along the hemline of the dress and outlining the train.

For the traditional "something old" the bride wore an heirloom diamond locket which belonged to her maternal great grandmother and had been worn by her grandmother, mother and sister before her on their wedding days.

Mrs. William Valley of Penn Valley, California as her sister's Matron of

Honor, wore a sky blue empire gown of nylon dotted swiss. The band of fresh flowers in her hair matched the colonial nose gay she carried of white daisys and baby breath.

Attending the bride as bridesmaids were: Mrs. Gregory Goodale of Anaheim, Miss Beth Winterling of Placentia, Miss Nancy Safe of Whittier and Miss Jeannette Reed of Yorba Linda. Attired similarly to Mrs. Valley their gowns were of a paler blue dotted swiss and their head pieces and nosegays were accented with pale blue baby's breath.

Mrs. Jack Lee was his son's best man. Mr. William Kipp of Placentia and Mr. Mac Cook of Baldwin Park, the bride's uncle, were head ushers and candle lighters, while the groomsmen were: Mark Cook, the bride's brother, Richard Barker and Michael Biondo of Fullerton and William Herold of La Habra.

The bride wearing a coat and dress ensemble of yellow and blue wool, and her husband left for a week's honeymoon in Carmel and San Francisco after which they will be residing at 7085 Santa Irene Circle, Buena Park.

FJC Wins Title In South Coast Baseball

A couple of complete game winning efforts by Dennis Root over Mt. Sac and Gary Wheelock over Santa Ana clinched the South Coast Conference Championship for the Fullerton Junior College Hornets last week.

It wasn't easy for the Hornets as they had two clubs breathing down their necks up to the last week of action. Cerritos College stayed in the running for the title up to the last day by beating Santa Ana to boost their record to 13-5, only one-

half game out of first place.

Fullerton withstood the pressure ripping Santa Ana 9-4 to become sole owners of the title. The Hornets led all the way having a 9-0 lead after seven innings of play.

Last Tuesday the Hornets win over Mt. Sac was a little more difficult. The team only led by three after seven innings but a four run burst in the eighth sent them ahead for good.

The club enters the State playoffs May 14 against Southwestern, the champion of the Mission Conference.

Orange League Track Finals Set For Friday

Orange League track finals will take place Friday at 3:15 p.m. at El Dorado High School.

El Dorado moved many spikemen down from Varsity since there is no chance for a league championship. Sophomore Greg Kempton will drop to Bees hoping to go to CIF in the 100 and 200. Other CIF Bee hopefuls are Chris Jones, Tom Menn, Dean Brewer, and Ray Millard. Pat Dutzi is hoping to take the Cee 1320 and enter CIF also. Varsity hopefuls are Bob Johns, Trent Torgerson, Tony Madau, Mark Davenport, and the mile relay.

Last week the Hawks had two meets, winning one and losing one, finishing the

season with a 5-4 dual meet record.

Brea edged the Varsity 64-61 with sprinter Tom Teeple leading the Wildcats. Teeple won the 100, 220, long jump, and anchored the 440 relay. Bob Johns of EDHS won the discus with a toss of 145 feet.

Against Laguna Beach, El Dorado breezed. Kempton won the 220, 100, and anchored the 440 relay. Bob DeWeese won the long jump at 20 feet and Tony Madau won the high jump at 6-2.

Troy Wins Two In Race For Second In Freeway

Troy High, virtually out of contention for the Freeway League baseball crown, bolstered its hopes for a second place play-off spot with two crucial wins last week.

On Tuesday, with ace John Morris at the helm, the Warriors blanked the La Habra Highlanders 1-0. Morris looked as if he had returned to early season form as he only allowed one hit. The Warriors collected only two hits themselves, one a double by Rick Peters

Tigers Drop Two Games To Remain In OL Cellar

Valencia's Varsity baseball team dropped farther into the Orange League cellar last week by losing three. The first loss came to Laguna Beach, the second was to Saddleback 2-0, and the third was to Sonora Monday.

A couple of late season wins by the Tigers would

FJC Sets Two Records In League Meet

Mt. San Antonio Junior College easily won the South Coast Conference Track and Field Championships last Saturday night in Walnut, beating out Fullerton and Cerritos 161-77.

The Hornets took four first places and set two new conference marks in the process. The mile relay team set one of the new marks running a time of 3:19.1.

A bundle of the team points came from the field events where FJC has been strong all year. Mike Sampson, set the other record in the pole vault clearing 15 feet.

probably pull them out of the cellar and help decide the Orange League championship. The Bengals next game is with second place El Dorado tomorrow on the Tiger diamond. Despite El Dorados good position in the standings the game between the two teams is a tossup.

A victory for El Dorado would keep them only percentage points out of first place but a loss would nearly eliminate them from part of the Orange League title.

Valencia ends the season Tuesday against Brea Olinda in Placentia.

Mets Are First In Majors

Following a week of ball playing, the Yorba Linda Little League National League Colts and Major League Mets emerged undefeated once again along with the American's Orioles and the International's Big Red Machine.

In the National League, Scott Grott pitched a no-hitter for the Astros while Kevin Adle hit a home run for the Senators.

Kevin Wheelock of the Orioles smashed a grand slam to aid his team toward an American league victory. Mike Solheim only let one hit slip in pitching the Athletics to their first win of the season.

Major league hi-lights included a winning home-run by Steve Spradley which allowed the Cubs to defeat the Giants 1-0.

Dave Duffie Places Third In CIF Finals

Dave Duffie, a Valencia senior, ended a high school swimming career in high style Saturday by winning a third place in the CIF finals.

Coach Jim Lock's varsity breaststroker slowed to a 1:04 at CIF prelims but managed to place third and qualify for final competition. Duffie was assisted by coach Lock and Bee breaststroker Steve Kneiss in afternoon workouts all last week.

Seeded fourth going into competition, Duffie managed to outswim Pasadena's Mike Reynolds, who followed the Valencia swimmer. Capturing first place laurels was Mark Chatfield from Glendale High School. Chatfield, who swam a 59.0 in prelims, rated himself fourth or fifth in the nation with a winning time of 58.6. Second place winner Dan Green of Lakewood finished in 1:01.7.

Troy Still One Behind In Tennis

The Troy Tennis team remained one match behind league-leading Sunny Hills with two convincing victories, 26-2 over La Habra and 23 1/2 to 4 1/2 over Kennedy, last week.

The wins left the Warriors with a 9-1 Freeway League record, and a 14-1 slate overall, the lone loss coming at the hands of Sunny Hills.

Against La Habra, Troy coach Norm Davis shuffled his line-up again, putting Glen Nakazawa-Gary Wienmann, and Steve Kettenburg-Charlie Hobson in doubles. Both teams swept their respective four sets. In singles, Gary Peaslee, John Simmons, and Earl Lund all won four sets each.

On Friday, with a still different line-up, the Warriors belted Kennedy on Troy's court. Nakazawa-Larry Murray and Kettenburg-Weinmann swept the 12 doubles points.

Bob-Etts Softball Continues

VHS Track Team Wins Dual Race

Valencia's defending champions will travel to El Dorado Friday for the Orange League track finals.

Tiger spikers climaxed the Orange dual season Friday with a 73-54 romp over Brea, shattering the Wildcats' hopes for a second place finish in dual standings.

Sweeps in the pole vault and the hurdles led the Tigers' scoring attack. Valencia finished with a 4-1 record to Brea's 3-2. First place winner in the pole vault was Ron Mooers with a 13' leap. Following Mooers was Jim Collins, second, and Dave Rogers, third.

ED Cees Take 3rd In CIF

El Dorado's swimmers took third in the Cee CIF Southern Section last Friday night at the Belmont Plaza Swimming Pool in Long Beach.

Coach Walter Druff's Cees were led by the last relay, 4x100, which took first in 1:34.6. The relay team of Dan Kenney, Mike Wiegand, Jim Louderbeck, and Steve Bond broke the CIF record in the prelims.

The same group started out the night by taking fifth in the medley relay. Then Kenney placed seventh in the 50 yard freestyle with a time of 24.3. Steve Bond tied for third in the 100 yard freestyle with a time of 51.6, however Bond lost a coin flip and was placed fourth.

El Dorado's Bees placed seventh but had some outstanding individual performances.

The medley relay of Larry Reed, Gary Linschield, Rick Miller, and Steve Zerkie took third. Zerkie started off the relay with a split of 27.8 to give the Hawks a boost.

ED Drops Into Tie For First

El Dorado's seven game win streak ended last Friday when the Hawks were edged by the Sonora Raiders in baseball but they stayed even with the Raiders when they beat Brea Monday.

Phil Hendershot took the loss, yielding only one run, when his team couldn't score. The loss put Sonora in a tie for first with the Hawks. EDHS has an 8-4 record while the Raiders are 7-3-2.

El Dorado started the third round by beating Saddleback 1-0. Bob DeWeese won his fifth league game by stopping the Roadrunners hitting attack. The Hawks' lone run came in the fifth when Greg Pritchett was hit by an inside pitch with bases loaded.

This week Coach Tom Byrnes' squad meets Brea at home, and Valencia there on Friday. Next week the Hawks end the league season at home against Laguna Beach. The diamonds must win these three games for a league championship.

Tiger Tennis To Challenge Hawk Team

Valencia's netmen face El Dorado tomorrow in the final round of Orange League play.

The Tiger tennis team upset the Hawks in their last meeting, Monday Valencia met first place Sonora, but scores were not available at press time. Coach Don Brittingham's crew will end Orange dual competition next Tuesday when the Tigers host Brea.

Valencia massacred Saddleback 24 - 4 Friday when the Tigers won all but one match.
